Reference to Other Section	Refer to section 8 of MSDS

7. HANDLING & STORAGE

Handling Requirements	Avoid the formation or spread of dust in the air
Storage Conditions	Store in cool, well-ventilated area
Specific End Use(s)	No data available

8. EXPOSURE CONTROL & PERSONAL PROTECTION

Workplace Exposure Limits	No data available
DNEL/PNEC	No data available
Engineering Measures	Ensure there is sufficient ventilation of the area
Respiratory Protection	Respiratory protective device with particle filter
Hand Protection	Protective gloves
Eye Protection	Safety glasses. Ensure eye bath is to hand

Skin Protection	Protective clothing
------------------------	---------------------

9. PHYSICAL & CHEMICAL PROPERTIES

State	Solid
Colour	Yellow – green
Other Information	No data available

10. STABILITY & REACTIVITY

Reactivity	Stable under recommended transport or storage conditions
Chemical Stability	Stable under normal conditions
Hazardous Reactions	Hazardous reactions will occur under normal transport or storage conditions Decomposition may occur on exposure to conditions or materials listed below
Conditions to Avoid	Heat
Materials to Avoid	Strong oxidising agents, strong acids
Hazardous Decomp. Products	In combustion emits toxic fumes

11. TOXICOLOGICAL INFORMATION

Toxicity Values	No data available
Skin Contact	May be mild irritation at the site of contact
Eye Contact	May be irritation and redness
Ingestion	May be irritation of the throat with a feeling of tightness in the chest
Inhalation	Immediate effect can be expected after short-term exposure
Delayed/Immediate Effects	Immediate effects can be expected

12. ECOLOGICAL INFORMATION

Ecotoxicity Values	No data available
Persistence and Degradability	Biodegradable
Bioaccumulative Potential	No bioaccumulation potential
Mobility in soil	
PBT and vPvB Assessment	This product is not identified as PBT substance
Other Adverse Effects	Negligible ecotoxicity

13. DISPOSAL CONSIDERATIONS

Disposal Operations	Transfer to a suitable container and arrange for collection by specialised disposal company
NB	The user's attention is drawn to the possible existence of regional/national regulations regarding disposal

14. TRANSPORT INFORMATION

Transport Class	This product does not require a classification for transport
------------------------	--

15. OTHER INFORMATION

Other Information	This SDS is prepared in accordance with Commission Regulation (EU) No 453/2010
Legal Disclaimer	The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact with the above product.

LIMITATION

BOSS Passive Fire Pty Ltd has provided the above technical information in good faith and to the best of its knowledge. This information was deemed to be correct at the time of publication. Should any data come to BOSS Passive Fire's attention relating to the fire resistance or performance of the product described BOSS Passive Fire reserve the right to amend this report.

BOSS Passive Fire strive to constantly improve and develop products so this information may change without notice.

The information contained herein has been developed as a guide only and it does not constitute a guarantee of compliance of all applications. Each project and/or application may have specific requirements and you should investigate these carefully. Ensure that you have read and understood the appropriate certification relative to your needs, and ensure you seek acceptance from the Certifying Authority or compliance inspector before installation. For updates on the range of BOSS Fire® certification please contact BOSS Technical Services on +61 2 9531 8591.
